We are presenting a total of eight nominees for election to the Board of Directors of The Jacobsburg Historical Society. The following six directors are being nominated for re-election to 3-year terms beginning January 1, 2011. They all have served the Society with distinction:

John Molnar, Esq.

For election to their first terms, beginning on January 1, we nominate:

Our nominees for election and re-election have devoted many hours to the Jacobsburg Historical Society and have participated in many Jacobsburg events and activities and each is deeply interested in the history of our area and of the Henry family and manufactory.

We hereby present this slate for your consideration.

Nominations may also be made by JHS members at the Annual Meeting on November 11, 2010, provided that the nominee has been informed of the intention to nominate him or her and has agreed to serve if elected.
